DRIVING DIRECTIONS TO LANDSBERGER STREET 161-169

Coming from downtown Munich or the Mittlerer Ring we recommend:

Drive towards Landsberger street heading out of town.

When travelling clockwise on the Ring road, exit at Donnersberger bridge onto Landsberger street, (turn left direction out of town). The turn left 300 m past the tram tracks Road and left again into the Bauhaus parking garage.

Drive through the parking garage and at the other side you will see marked customer parking. Follow the signs to our office, near the Staples office supply store.

We are just 5 minutes by car, from the main train station where Bayer street becomes Landsberger street.

Coming from Pasing we recommend:

Drive into town on Landsberger street, crossing Elsenheimer street. Between Friedenheimer and Donnersbergerbrücke (before Barth street) you'll see Bauhaus Baumarkt. Turn right just after the parking structure. You'll see designated parking spaces along the right-hand side, leading to the ZeitLager office and shop in the back.
